Dear Mr Stéphane Charruau,

Greetings from Teuk Saat 1001!

We are so happy to confirm you that, we have received the Fund from **la Fondation Heloise Charruau** for the project of support Poor ID families with access to safe drinking water through Teuk Saat1001's micro-entrepreneurship water-treatment kiosk program.

On behalf of the Board Directors of Teuk Saat1001 organization/1001 Fontaines, I wish to thank you and your foundation for such a great contribution and generous donation of **€ 2,500** towards the mission to improve health of rural populations of Cambodia through supply of safe drinking water under our social enterprise model.

We are indeed grateful to you for your enthusiastic support, which helps us assist those in rural communities of Cambodia, especially the rural Poor ID families, through this work together to reach a point of development and humanitarian assistance.

We wish you, your families, colleagues, friends and especially your foundation a great success, happiness, good health and a Happy Khmer New Year which is coming on the 14th day of April, 2016!!

Thank you once again.

Sincerely,

  
Chay Lo
